Support children in need

About the Lanes for Lane Event: Please join us for the 7th annual Lanes for Lane fundraiser and enjoy a night of fun, food, and prizes at the Mark! OCI teams up with The Lane Thomas Foundation for reasons close to our hearts. The Foundation was established by a local family in our community in remembrance of their son in order to bring the light and hope he brought to the world to families of children undergoing organ transplants.

About the Lane Thomas Foundation: For Matt and Melissa Graves, supporting families suffering through tragedy is everything. After the sudden and traumatic loss of their precious son, Lane Thomas Graves, at age 2 years, 9 months and 11 days in June of 2016, their focus quickly became finding a way to honor Lane and to support families the way others have supported them. It was in their darkest of moments that The Lane Thomas Foundation was born.

Together with their children, Matt and Melissa have created The Lane Thomas Foundation to serve as a beacon of hope and to create a strong base of support for families in crisis. The Graves family understands the importance of community support and the kindness of strangers when it is critical. The Lane Thomas Foundation is committed to standing behind those who most need support.

Your Impact

Your support will directly impact families in our community. Please consider one of our sponsorship opportunities or make an individual donation. Below is an example of what your gift can mean for a local family.

What your gift can do:

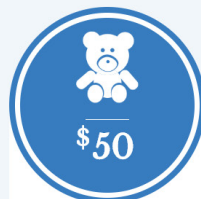

Supports a family for 90 days after transplant

Supplies travel funds for a family to Omaha

Provides meals for a family

Supports siblings with daycare and other activities

Provides back-to-school clothing for recovering patients

Supplies a family with helpful welcome bags
